NOTICE PIH 2011- 58 (HA)

Issued: October 24, 2011

Expires: This notice remains in effect until
revoked, superseded or amended

Cross Reference: PIH Notice 2010-42 (HA)

Subject: Extension—Certification of accuracy of data in the Inventory Management/Public Housing Information Center System used to calculate the Capital Fund formula allocation.

1. Extension. This notice extends notice PIH 2010-42, same subject, and remains in effect until amended, superseded or rescinded.

2. Background. Each year the Department allocates Capital Fund grants to PHAs under the Capital Fund Program that is authorized by Section 9(d) of the United States Housing Act of 1937. The Department uses a formula to calculate the funding amount for each Capital Fund grant for each PHA. The formula is codified at 24 CFR 905.10. The Department bases its formula calculation extensively on data submitted to HUD by PHAs in the IMS/PIC system. This Notice advises executive directors of PHAs that the Department is requiring them (or an authorized subordinate staff person) to certify to the accuracy of the data PHAs have submitted to HUD in the Inventory Management System/Public Housing Information Center (IMS/PIC) system that the Department will use to calculate the formula for allocating Capital Fund grants.

3. Paperwork Reduction Act Statement. The information collection requirements contained in this notice have been approved by the Office of Management and Budget under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), and assigned OMB control number 2577-0157. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.
