NOTICE H 2012-23

Issued: November 21, 2012

Expires: This notice remains in effect
until amended, revoked, or superseded

Subject **Secondary Financing Eligibility Requirements for Internal Revenue Code (IRC) Section 115 Entities**

Purpose The purpose of this Housing Notice (HN) is to clarify that HUD deems Section 115 entities to be “instrumentalities of government” for the purpose of providing secondary financing under single family FHA programs. Entities providing proof of Section 115 status, as described below, need not meet the instrumentality of government test otherwise required by Mortgagee Letter (ML) 1994-02, and need not be included on HUD’s Nonprofit Organization Roster, as originally provided in ML 2009-38, which was later superseded by ML 2011-38.

This HN supersedes guidance on Section 115 entities stated in ML 2011-38, except for the waiver of the voluntary board requirements as described in the ML, which waiver remains in place.

Effective Date All provisions of this Housing Notice are effective immediately.

Instrumentality of Government Status for Section 115 Entities Given the requirements imposed on entities to qualify under Section 115 of the Internal Revenue Code, HUD has determined that Section 115 entities should be treated as instrumentalities of government for purposes of FHA’s Secondary Financing program. Furthermore, HUD also considers entities with the dual distinction of 501(c)(3) **and** Section 115 status to be instrumentalities of government. As such, Section 115 entities must follow all FHA guidance in HUD handbooks, regulations, Mortgagee Letters, and Housing Notices, to which instrumentalities of government are subject regarding the operations of secondary financing programs.

Section 115 Entities – Secondary Financing Programs

As instrumentalities of government, Section 115 entities are not required to have HUD approval or placement on HUD's Nonprofit Organization Roster to operate a secondary financing program. Section 115 entities implementing secondary financing programs are held to the same program eligibility standards applicable to all other government agencies and instrumentalities of government operating secondary financing programs as described in 24 CFR §203.32(b).

However, Section 115 entities are not considered instrumentalities of government for participation in other FHA programs. Therefore, they must meet eligibility and participation requirements for those programs. If participation in other FHA programs requires approval and placement on HUD's Nonprofit Organization Roster, Section 115 entities must remain on the HUD Nonprofit Organization Roster. In such cases, Section 115 entities will still be considered to be instrumentalities of government for purposes of secondary financing, even though they are also on HUD's Nonprofit Organization Roster.

Documentation Requirements for Section 115 Status

When operating a secondary financing program, organizations claiming Section 115 status must present proof of that status as requested by the lender through:

- 1) a letter from the organization's auditor, or
 - 2) a written statement from the General Counsel, as an official of the organization, or
 - 3) a Letter Ruling issued by the Internal Revenue Service, or
 - 4) an equivalent document evidencing Section 115 status.
